In any way cant Lastmanuals be held responsible if the document you are looking for is not available, incomplete, in a different language than yours, or if the model or language do not match the description. Lastmanuals, for instance, does not offer a translation service. It is in good working condition. Guaranteed against DOA. Weighing only 13 pounds, it is easy to transport and comes equipped with travel case and cord storage. Projected images are bright and crisp, thanks to the sophisticated triplet lens optics and 2,200 lumens of light. With its slim, flat stage, this overhead projector is adaptable to various conditions and room sizes. It also comes with a quickchange lamp changer. It has a flat stage less than one inch high for either standup or sitdown presentations. The patented headandpost assembly makes it easy to use, and the sophisticated optics project exceptionally bright images. Please try your search again later. You can buy from our store These bulbs are specifically designed for overhead projectors and generate a lot of heat. That is why overhead projectors have fans. If you have a problem, or need help, the Diplofix forum can help you choose between the 3M 2770 OVERHEAD PROJECTORS and another product. According to its users, it is very efficient., They mostly agree on this point. On average they find that it is very good value for money You wont get any unpleasant surprises if you look at the instructions in the 3M 2770 OVERHEAD PROJECTORS user manual before buying. Good condition, other than some light scratches to the base glass and one deeper mark shown in the final photos. This is small but noticeable but we have continued to use it with the mark without problem. Please message if you want further details or photos. We usually post on the weekday following payment. We will message you if there is likely to be any delay if we are away. Equally if you need something urgently please message us. We may be able to post on Saturdays if we are using Royal Mail, or use a carrier which may get to you quicker than quoted in the listing. Shipping overseas is via ebay global shipping and whilst we will pack well it is unlikely carrier will cover damage so overseas shipping is at buyers risk. Category Projectors Condition Used Location Farnborough, United Kingdom Feedback 3766 99.7% Usage Overhead Modified Item No Custom Bundle No Non Domestic Product No Item Details I bought this to sell on. Personally, I know a little about such items. The projector is in very good condition. The bag has some mud splashes on it which should clean off a bit please see photos I can see no problems to mention. The projector powers on fine and the bulb is fine, as you can see. I believe this projector is working as it should. Its all ready to use. I very rarely have problems with the items I choose to sell please see my feedback If, by chance, anything untoward is found to be wrong with this item when its used for its purpose, I would be happy to take it back, and a full refund would be given. I would also pay for the return postage. You would need to message me first if there is any problem. I give you this guarantee so you know youre buying a good item. You can search my other items here for other things that may be of interest. Thank you for your order. My dispatch times are 3 or 4 working days, depending on the item. Smaller items are pretty much always dispatched very quickly, so you will receive well before my delivery times.

<http://www.drupalitalia.org/node/67213>

Please check the dispatch time on the item you are viewing before you buy, thanks. I try my best to get items dispatched as soon as I can, but sometimes I receive lots of orders all at once, so I may not be as quick as I would like. I don't deliberately sell anything with faults I don't mention in the description, so if something is wrong, it will be an honest oversight. I sell a lot of items I know very little about, hence why I may make an oversight. 99% of the time, things are fine, though please see my feedback. If you're collecting in person, you are welcome to collect in person. I would appreciate cash on collection after you have purchased the item through eBay rather than using PayPal, if that's ok. If you prefer to pay through PayPal before you come, that's fine. Condition is Used. Dispatched with Royal Mail 2nd Class. This unit has been fully tested so in good working condition with a visible scratches all around from general use, but is fully operational and functions as intended. The projector is in great condition and lamp usage unknown. Condition is Used. Dispatched with Hermes Tracked. However we will give a money back working guarantee with this. If you have any problems with it excluding any issues detailed in the description we will arrange return shipping at our own cost. Buyer is aware that we are not able to fully guarantee functionality on arrival due to our inability to fully test. Full terms and conditions are listed below and buyer agrees to these when purchasing. Bundled Items None. Does not come with any other cables or accessories. You will only get what is pictured. If it is not pictured, you will not receive it such as mains cable, power supply, data cable, other cables, etc unless otherwise mentioned in this description. This item is graded as Grade B. Grading definition: A. Items that are classified as Grade A are in good condition with only little or minor cosmetic marks on casing. B.

<http://www.decor-ada.com/images/canon-ixus-aps-manual.pdf>

Items that are classified as Grade B are in OK condition with various cosmetic issues pictured. C. Items that are classified as Grade C are in bad to fair condition with significant cosmetic issues pictured. Please inspect all high resolution photos carefully to see condition. As we may have more than one in stock, the pictures may only be a guideline to demonstrate an example of the general condition you should expect. The one pictured is just for stock reference and the one you receive may be different. Although we state 5 day handling time, we aim to ship within 48 hours of payment. Category Projectors Condition Used Location Pontefract, United Kingdom Feedback 399 89.1% Usage Overhead Brand Elmo Elmo HP285S Folding Overhead Projector In very good condition with no damage to any of the optical components. The main projector is the ideal projector for home entertainment. It offers you 35% brighter images than similar projectors on the market and offers you a high end private cinema. Enjoy the big screen. The mini projector has a projection screen size of 39110 inches with a projection distance of 1 to 5 m. Watch a great movie on the big screen, listen to a concert that you love or play a game with joy and experience the surrounding pleasure. Revolutionary update. The new cooling design dramatically reduces fan noise, providing a unique lifespan of 30,000 hours and an unprecedented experience for you. Powerful compatible projector. The J9 projector is compatible with TV boxes, PCs, laptops, tablets, Blu-ray players, SD cards, USB sticks, multimedia readers music, photos, video, TXT for iPhone, Android smartphones. Type of bulb LED light source, lifespan of more than 30,000 hours 11. Video signal global standard 12. Menu language Chinese, English multilanguage 13. Projection size about 1060 inches 14.
